The USPS closed our Tariffville post office without prior study, and in violation of Section 123.7 of the USPS Postal Operation Manual on Emergency Suspension of Services. In addition, they have not undertaken the study required by Section 106 of the National Historic Preservation Act of 1966.

We need your support to block the improper USPS abandonment of the post office in our village of Tariffville, Connecticut, listed on the National Register of Historic Places.

PLEASE HELP US!
